Branch library for club members (must be a member of the club to use the library)
Check out books with a valid library card

Approximately 2,500 books are available for checkout with a Farmington Public Library Card. The library has 10 computers available to club members. These computers are used for technology classes, homework, online research, internet usage and provide a variety of educational games.

Members are able to earn "Power Hour Points" for activities they perform and complete in the library. Members keep track of points in assigned portfolios, in which they may keep all their completed assignments, writing, artwork, etc. At the end of each month all Power Hour Points are totaled. The members with the highest total from each age group receive a prize. The member with the most Power Points at the end of the school year receives special recognition and an award from the Power Library and Farmington Boys and Girls Club. Parents and teachers are encouraged to visit the Power Library and club.
