Book Groups and Reel Readers sets are comprised of 13 books and a discussion guide for the borrowing library to copy. Reel Readers sets also include a DVD. Use of the DVD requires obtaining public performance rights to show in your local library. A company that provides public performance rights is Movie Licensing U.S.A., found at <http://www.movlic.com>.

All materials are the property of Farmington Public Library. The cost of return postage is required for participation in Books-To-Go. We may ask participating libraries to mail the books to the next requesting library, rather than returning them to FPL. Book sets may be returned by Library or Media Mail, at the discretion of the borrowing library. We request reimbursement for lost or damaged books or DVDs.
