Friday Storytelling Workshops

(3PM to 5PM)

Location: Farmington Public Library (2101 Farmington Avenue)

- \$30.00 **Coloring Inside the Lines with Dolores Hydock**

You've got the outline for a story, now explore ways to fill in your story's characters and settings with color! Learn how to use sound, silence, space, and specific detail to bring your story to vivid life. Hands-on exercises make this session fun for beginning or experienced storytellers. No need to bring a story with you, just bring your imagination!

- \$30.00 **Building a Repertoire That Works with Elizabeth Ellis**

A careful evaluation of any teller's repertoire is always thought-provoking and informative. Issues of appeal, repeatability, artistic growth and social impact will be discussed. The pros and cons of "niche telling" and specialization will be evaluated. Record-keeping, permissions, copyright and other such boring topics will also be explored.
